The organization recognized Parsons for support of Lieutenant Colonel Chuck McGregor, US Marine Corps Reserve, and vice president, Cybersecurity Operations for Parsons, during his deployment to Afghanistan in 2018-2019.

"It is an honor to work with Chuck at Parsons, and this award is testimony to the company's longstanding support of military veterans, reservists, guard members and their families."

ESGR is a Department of Defense program that develops and promotes supportive work environments for reserve service members.

"Nearly half of our military force resides in the National Guard and Reserve, and our organization is honored to support these brave men and women, and their civilian employers," said Ed Hamilton, vice chair, North Carolina Committee for ESGR. "Chuck Harrington and the Parsons family were extremely supportive of Lieutenant Colonel McGregor's deployment, and I am honored to recognize and award those efforts today."
