

## Parsons Continues Bridge Legacy With Strategic Midwestern Wins

December 28, 2020

CENTREVILLE, Va., Dec. 28, 2020 /PRNewswire/ -- Parsons Corporation (NYSE: PSN) announced today that the company has been selected to provide bridge expertise on numerous projects in Illinois, Iowa and Michigan, totaling more than \$16 million in contract value. The wins include preliminary design and engineering for a major river crossing and multiple long span bridge projects.

"Our more than 70 years of experience in accelerated bridge design and delivery has allowed us to tackle tough challenges on some of the largest, most complex bridge projects in the world," said Mark Fialkowski, executive vice president, Mobility Solutions at Parsons. "We're excited to continue designing and maintaining the bridges that help connect our communities, and create a safer world."

The strategic wins comprise planning and design, LED lighting, bridge deck studies, as well as repeat work on several key bridges, including Michigan's Mackinac Bridge, the longest suspension bridge in North America that was designed by Parsons in the 1950's.
